

## Site plan dog training ground Jonentalstrasse 9, 8913 Ottenbach

**Coordinates: 47.289884, 8.405551**

**Coming from Zug:** Drive to Mettmenstetten and turn left at the end of the village towards Bremgarten, Obfelden and Dachlissen. Go through Dachlissen and Obfelden. You arrive in Ottenbach and drive until the end of the village (you drive past the Volvo garage on your right). After approx. 300 meters you turn right uphill towards the shooting range (signposted with "Schützenhaus"). At the lonely tree with the bench you turn right again and drive to the chalet and park there. The dog training ground is on the right side down on the fenced field (you will see a howling wolf statue).

**Von Affoltern a. A.:** Drive via Zwillikon in the direction of Ottenbach. In the center of the village, you turn right at the traffic light. At the end of the village you drive past the Volvo garage on your right). After approx. 300 meters you turn right uphill towards the shooting range (signposted with "Schützenhaus"). At the lonely tree with the bench you turn right again and drive to the chalet and park there. The dog training ground is on the right side down on the fenced field (you will see a howling wolf statue).

**Von Bremgarten:** You drive via Unter- and Oberunkhofen, Jonen, towards Ottenbach. At the end of the village you drive past the Volvo garage on your right). After approx. 300 meters you turn right uphill towards the shooting range (signposted with "Schützenhaus"). At the lonely tree with the bench you turn right again and drive to the chalet and park there. The dog training ground is on the right side down on the fenced field (you will see a howling wolf statue).

**Parking:** In front of the chalet (which does not belong to fairtrain!) you will find four (4) parking lots on the right hand. Please use these parking lots (marked in grey). If there is no more space, please drive down to the dog training ground and park on the gravel parking lot.

If you can't find us, please call your trainer:
